TOTE BAG

A collage of various tote bags and jars on a brown background. The top half features a white fabric tote bag with a long handle, a teal-colored mesh tote bag, and a white mesh drawstring bag. The bottom half shows three glass jars: one with a green and white checkered lid, one with a red and white checkered lid, and one with a metal clasp lid. The text 'TOTE BAG' is overlaid in the center in a large, white, bold font.

A close-up photograph of a person's hands holding a white mesh shopping bag. The person is wearing a colorful, patterned dress with red, white, and blue floral designs. The background is a blurred display of fresh produce, primarily peaches, in various shades of yellow, orange, and red. The lighting is bright and natural, suggesting an outdoor or well-lit indoor market setting.

GROCERY/SHOPPING BAG

01 rPET⁺ BAG

rPET material is 100% recycled from plastic bottles, which can save reuse consuming products with less chemicals, less energy and water used. It is a perfect recycled and recyclable material in bag industry.
